

TOTAL COST OF OWNERSHIP*

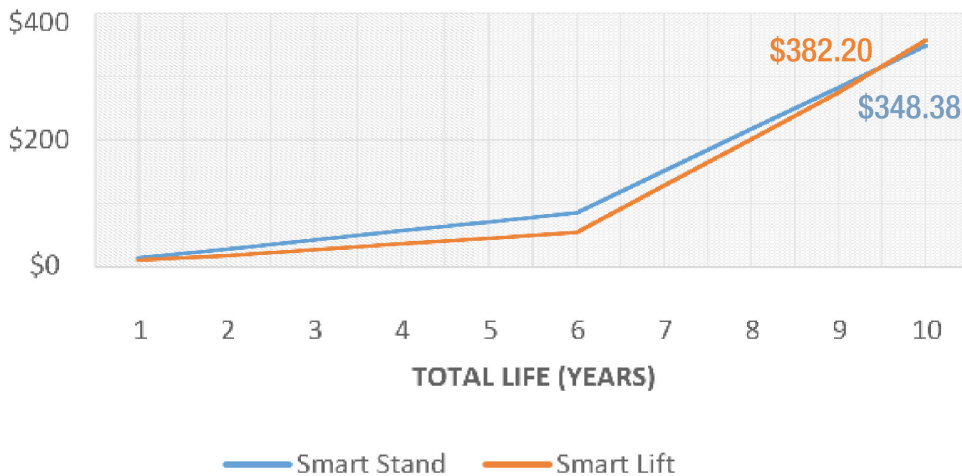

HIGH QUALITY = LOW COST OF OWNERSHIP

Has the great deal you thought you were getting on a product ever been wiped away by the high price of replacement parts and service? Do you want a product that is built to last? Look no further than EZ Way, Inc. We build high quality equipment that will stand up to repeated use over many years, and not cost you a fortune in replacement parts. Plus, less repairs mean greater uptime that your equipment is on the floor and in use.

We've completed a cost of ownership study conducted with six active facilities that exclusively use EZ Way equipment. This study tracked the cost of replacement parts and equipment of specific units.

EZ Way Parts Costs Over Ten Years

LIFTS

Average Annual Parts Cost

\$38.22

STANDS

Average Annual Parts Cost

\$34.83

Your maintenance department will see minimal need for repair, which they can do themselves with assistance from our technical support team, though a "Service Contract" is always available.

To order call **800-627-8940** or email **sales@ezlifts.com** today!
