Swing Reclining & Height Adjustable Bathtub

Swing - Reclining bath with side access

The Swing is a free standing, reclining bathtub designed for a satisfying and relaxed bathing experience. The Swing has several available options, such as Autofill, built-in disinfection system, Air Spa, LED lighting, and a music system. A height adjustable model is also available for a more ergonomic experience for the caregiver.

The Swing's simple installation allows it to be positioned in almost any central bathing area. The controls have been designed with simplicity in mind, and the smooth design makes it easy to clean and maintain.
