Gait Training Sling

The Gait Training Sling is an ambulation aid for weight bearing individuals.
One piece design makes it easy to apply and remove from your patient.

The Gait Training Sling is designed to be used with the 1,000 lb. Smart Lift® or EZ Way Ceiling Lift. This assistive design can be used in rehabilitative and gait training environments. Made of comfortable, yet durable, anti-microbial fabric in sizes small to XXL. Machine washable.

Applications & Features:

- Rehabilitation training
- Gait training
- One-piece design makes for easy application and removal
- Built to be comfortable while also safe

Sizes:

- 500380 - Gait Training Sling, Small
