

EZ Way, Inc.

# Freestanding Ceiling Lift Track System

Our free-standing gantry system is a perfect alternative when building modification is not possible. It works seamlessly with our 650 lb. ceiling lift motors, and its flexibility means that it is easily moved to where it's needed most. With a high weight capacity, the Lena provides a safe and easy lifting solution for most patients.

- For use in transferring from a bed, wheelchair, bath/shower, and from floor
- Doesn't effect walls or ceilings
- Simple assembly
- 650 lb. weight capacity
- Can be moved where needed
- Gantry is designed to meet all the requirements of relevant ISO, UL, IEC and EN standards

**CT71808 - Freestanding Ceiling Lift Track System**

**CT71808C - Freestanding Ceiling Lift Track System with Caster Kit**

A system with optional caster kit is available for ease in relocating the system when needed.

**Sold Separately**

The Freestanding Ceiling Lift Track System is used with the EZ Way 650 lb. fixed ceiling lift motor or the EZ Way portable ceiling lift motor.
