

# THE EZ TRAINING ADVANTAGE

EZ Way, Inc.

"Your Total Safe Patient  
Handling Partner"

EZ Way offers many TRAINING BENEFITS the competition doesn't!

## IN-SERVICE TRAINING

We offer free in-service training by our Territory Sales Managers for the life of the equipment. We make sure you and your staff are trained to use your equipment.

## QUICK ACCESS QR CODES

Look for QR Codes on EZ Way safe patient handling equipment. Scan these stickers with your mobile device to watch video training clips easily. It's a great refresher course when you are in a hurry.

EZ Way QR Codes

## VIDEOS

Our EZ Way training videos provide immediate training resources for you and your staff 24-hours a day. You can check them out on our website or on our YouTube channel.

## COMPETENCY QUIZZES

Our online competency quizzes help to reinforce the video training. You can print the results to place into employee files to show they have passed the quiz.

## COMPETENCY CHECKLISTS

Competency checklists help your trainers. These easy to use forms allow trainers to make sure each staff member can demonstrate how to use equipment properly.

## EZ WAY RESOURCES

Visit the resource section on our website, or the resources tab on each product page, to find operator instructions, competency quizzes, checklists, service manuals and more.

## SALES SUPPORT & 24-HOUR SERVICE DEPARTMENT

Beyond training, our sales support department will help answer your questions and find the right accessories for your equipment. We offer toll-free access to our 24-hour service department and free loaner parts to avoid downtime, keeping your equipment on the floor and in use.
